BOARD OF EDUCATION

## **HMC-1 Board of Directors Regular Board Meeting Summary Thursday, November 20, 2025**

The Board of Directors met on Thursday evening for its regularly scheduled Board Meeting. After the welcome, Pledge of Allegiance, and roll call, all members were present and a quorum was established. The agenda was adopted with a motion by Ragan and a second by Claborn.

### **Special Recognition**

Santa Fe Elementary took center stage as the Board celebrated the school's VIPs. Four students presented about the program, sharing that VIPs stand out as leaders, learners, and role models. The VIP program recognizes students for positive behavior, effort, and attendance, highlighting their commitment to Santa Fe's core values.

### **Superintendent's Report**

The Board ratified a contract connected to the Rockhurst professional experience agreement and approved the monthly bills.

The Executive Director of Business and Finance shared the Monthly Financial Report for the period ending October 31, 2025. The presentation outlined two revenue options: pursuing a no-tax-increase general obligation bond and a levy transfer that would allow the district to transfer 30¢ from the tax levy into the operating fund. This move could bring in about \$3.4 to \$3.5 million each year without raising taxes.

The Board also approved the updated Academic CSIP that was presented during the November 6 Work Session.

### **Audience Comments**

Anthony White of SafeHaven Outreach Center addressed the Board, though his comments were unrelated to the evening's agenda. Superintendent Carpenter shared that he would follow up directly with Mr. White regarding his organization's efforts to provide free bike helmets to HMC-1 students.

**Board Comments**

Board members thanked Anthony White and Jorge DeLara for volunteering as crossing guards. They also noted that the Board will hold a meeting in January to establish proper procedures for opening community comments during future meetings, in line with state requirements.

**Superintendent Comments**

The Superintendent reminded everyone about the Work Session scheduled for Friday, November 21.
