A. USD Level (i or ii)		= <u>1,759.8</u>
i. High-Density At-Risk >= 50% (1B times 10.5%)	= <u>1,759.8</u>	
ii. High-Density At-Risk >= 35% and < 50% (1B times (#1 minus 35%) times .7)	= <u>0.0</u>	
B. SCHOOL Level Do NOT need to enter information by building		= <u>0.0</u>

Page 1 footnotes:

(a) Weighted FTE enrollment is computed by taking the total clock hours of bilingual students who are enrolled and attending in an approved bilingual class on 9-20-2018 and dividing by 6 (cannot exceed 6 hours for an individual student). Total clock hours 23,431.0 ÷ 6 x 0.395 = 1542.5408 (Record on Line 5)

(b) FTE is computed by taking the total headcount of bilingual students who are enrolled and attending in an approved bilingual class on 9-20-2018 and multiplying by factor of 0.185. Total headcount 8,316 x 0.185 = 1538.4600 (Record on Line 5)

(c) FTE is computed by taking the total clock hours of career and technical education students who are enrolled and attending in an approved vocational class on 9-20-2018 and dividing by 6 (cannot exceed 6 hours for an individual student). Total clock hours 6,244.1 ÷ 6 = 1040.6833 (Record on Line 6)

(d) In order to access new facilities weighting, a USD must have adopted at least a 25% LOB. Only eligible to schools that passed a bond election prior to **July 1, 2015** and bond money was used for construction of new facilities or new schools that were built primarily with federal funds on a military reservation located on USD 207 and USD 475.

(e) Four year old at risk students are counted as .5 FTE. USD must be approved by the Kansas State Department of Education.

(f) Comes from form 118 (line 20).

(NOTE: If September 20 falls on a weekend, the following Monday will be the official count date.)

.....

ADDITIONAL DEFINITION FOR SCHOOL FACILITIES (Must use a minimum LOB listed below to qualify for this provision.)

e) School Facilities Definition - School facilities weighting is available for school districts whose adopted local option budget (LOB) is at least 25% for 2014-15 and have constructed an entirely new facility or an addition to an existing facility. Only eligible to schools that had a bond election prior to July 1, 2015 and bond money was used for construction of new facilities or new schools that were built primarily with federal funds on a military reservation located on USD 207 or USD 475.

The determination of weighting will be based upon the number of full-time equivalent (FTE) students that are enrolled and attending in the new facility September 20 (and February 20 for districts qualifying under K.S.A. 72-5139). In the case of school districts that have constructed an addition to existing facilities, the number of students that are enrolled and attending in the new classroom facility will be counted on a full-time equivalent basis (see example 2.) The additional weighting for this provision of the law is applicable for two years only. For a new facility, the FTE is for the entire building (see example 1). For additions to an existing facility, the following calculating would be utilized.

Example #1: (For new buildings.)

For a totally new constructed building, the FTE equals the total enrollment FTE for that building.

	<u>Headcount</u>	<u>FTE</u>
Kindergarten	77	38.5
Grade 1	87	87.0
Grade 2	81	81.0
Grade 3	75	75.0
Weighting for example:		281.5 X 0.25 = 70.4 X \$4,165 = \$293,216

Example #2: (For new additions)

Total number of students in each new classroom _____
Number of class periods (divide by) _____
Full-time equivalent enrollment = _____

Example:

New classroom A = 105 students for the day
New classroom B = 154 students for the day
New classroom C = 133 students for the day
New classroom D = 121 students for the day
TOTAL = 513

divide by 7 class periods
= 73.3 FTE

Weighting for above example: 73.3 X 0.25 = 18.3 X \$4,165 = \$76,220

Qualifying for New Facilities Weighting

In order to qualify for new facilities weighting, a district must have adopted at least a 25% local option budget. Only eligible to schools that had a bond election prior to July 1, 2015 and bond money was used for construction of new facilities or new schools that were built primarily with federal funds on a military reservation located on USD 207 and USD 475.

Qualifying for the 3yr Average (Goes to Table IV)

- | | | |
|--|---|------------|
| 1. Did the district receive Federal Impact Aid? | = | <u>NO</u> |
| 2. Did the district have a military dependent student enrolled during the 2017-18 school year? | = | <u>YES</u> |
| 3. Did the district decline in enrollment for 2017-18 school year compared to the 2016-17 school year? | = | <u>NO</u> |

Qualifying for Military Provision for 2/20 weightings

Is the 2/20/19 Est. FTE Enrollment 0.0 >=25 or 1% of the 9/20/18 Est. FTE Enrollment 20,877.0 = NO

If your district's "Free Lunch Percentage" is greater than or equal to 50% (computed on Form 150 Table VI), it is not necessary to enter the total headcount and free meal counts for each of your buildings. Otherwise, this information may be used to determine the high density at-risk weighting. High density at-risk weighting will be determined based on the *maximum* calculation at the district level compared to the calculation at the building level.

The building list below is based on the 2017-18 school year. If you have new school buildings (not programs) that will open for the 2018-19 school year, they will need to be added to the list beginning on Excel row 1341. To complete the building information for your district, follow the steps below. **NOTE: Free Lunch Headcount for at-risk funding excludes any student enrolled less than full-time in grades 1 through 12 or any student over 19 years of age. These provisions would not apply for any student who has an individualized education plan (IEP).**

1. Click the arrow in cell A31 to get a message box.

a. In the message box, *uncheck* (Select All) so no districts are selected.

b. Scroll in the list to locate your district number and *check* the box to the left to select.

2. Enter the 9/20/2018 Total Headcount. Districts with military students will also enter the 2/20/2019 Total Headcount (excluding non-funded pre-school students and excluding virtual students.)

3. Enter the 9/20/2018 Free Lunch Headcount. Districts with military students will also enter the 2/20/2019 Free Lunch Headcount (excluding non-funded pre-school students and excluding virtual students; also see note above.)

4. Add new school buildings beginning on Excel row 1341. If this row is hidden, click the 'filter' button found in the header row for LEA_ID to get a message box and check the box next to (Select All). Scroll to the bottom of the list.

a. LEA_ID (USD#) should be entered as numeric value only (eg. 101).

b. State_School_ID should be entered as numeric value only as assigned by KSDE on Directory Updates web application (eg. 9999).

c. School_Name should be entered as approved on KSDE Directory Updates web application.

d. Complete the Headcount and Free Lunch headcount for each building.

5. Save (Click on Excel "File" menu in top left corner then click "Save").
- This information will populate to Form 150 Table VI Line #2B.

The only monies reported on this form are funds administered at the district level.

*Include monetary gifts, private grants and district activity funds that are administered by the Central Office.

Do not include activity funds administered at the building level or federal grants received by the school districts.

Examples of funds to be included are:

1. Drug prevention grants from cities or counties
2. Gifts from booster clubs
3. Gifts from individuals
4. Gifts from foundations
5. Gifts from businesses (including money from pop sales)
6. Gifts/grants from other governmental units not included in the budget.

In accordance with 72-1178, all monies received from the sale of admissions to activities which the school district sponsors shall be credited to school activity funds in accordance with policies and procedures adopted by the board of education. Such monies shall not be considered to be monies of the school district for the purposes of K.S.A. 72-1136, and amendments thereto.

The term "activities" means activities, events, and competitions in such fields as athletics, music, forensics, and dramatics, and other interschool or intraschool extracurricular activities in which pupils may participate directly or indirectly.

NOTICE OF HEARING 2018-2019 BUDGET

The governing body of Unified School District 500 will meet on the 14th day of August, 2018 at 5:00 PM, at 2010 N 59th St for the purpose of hearing and answering objections of taxpayers relating to the proposed use of all funds and the amount of tax to be levied. Detailed budget information (including budget profile) is available at Central Office and will be available at this hearing.

The Amount of 2018 Tax to be Levied and Expenditures (published below) establish the maximum limits of the 2018-2019 Budget. The "Est. Tax Rate" in the far right column, shown for comparative purposes, is subject to slight change depending on final assessed valuation.
