2025 - 2026

BUDGET

INTRODUCTION

Grandview C-4 School District Budget Message

The following budget represents the financial plan of the Grandview C-4 School District for the 2025-2026 fiscal year. Our primary purpose is to provide timely and useful information concerning the past, present, and projected financial status of the District and to facilitate financial discussions that support the mission, goals and objectives of the Board of Education. Administration has developed a three-year forecast covering fiscal years 2025-26 through 2027-28. The forecast, which identifies anticipated needs for increases and adjustments of revenues, expenditures, and fund balances is a “rolling” three-year plan. The three-year plan or forecast provided the framework for the budget presented to the Board of Education.

Revenue Projections:

The preliminary revenue budget for 2025-26 totals \$84,685,295. This includes revenues for all district funds. Preliminary estimates for the district’s operating funds (Funds 1 & 2) total \$70,541,977, the Debt Service Fund (Fund 3) is budgeted at \$23,098,479 and the Capital Projects Fund (Fund 4) is budgeted at \$7,336,874.

Local property taxes are the largest source of revenue for our General and Debt Service Funds. State Formula funds are the second largest source of funds for the General Fund. While Federal funds are the third largest source.

Local Tax Revenue –

The District’s local tax revenue is derived from the local tax rate, set by the Board of Education, and levied against the total assessed valuation of property within the District’s boundaries as assessed Jackson County. The tax collection rate hearing will be held September 18, 2025 at 6:00 pm. The hearing notice will be published in the local newspaper seven days prior to the hearing and/or at 3 public places.

The Board of Education is required to set the tax rates, by fund, each year. The tax rate calculation is prescribed by the Missouri State Auditor’s office and takes into consideration the current and prior year assessed valuations, the year-to-year change in the Consumer Price Index (CPI), the prior year tax rate ceiling, and applicable voter approved tax rate increases.

State Aid Revenue—

The District’s state aid is derived from the Missouri State Foundation Formula. The formula utilizes the District’s Weighted Average Daily Attendance (WADA), the State Adequacy Target (SAT), and other factors to determine the amount of state funding the

District will receive. The district expects approximately \$16,072,069 in state aid from the State of Missouri.

Federal Revenue-

The district expects to receive an estimated \$6,955,502 from the Federal Government for the following programs:

- Child nutrition programs for low income families who are provided meals and after school snacks and a free or reduced rate.
- Title Funds 1,2,3,4. Title I funds provides additional funds to schools with relatively high concentration of low-income students (economically disadvantaged). Title II are funds to improve educator training and recruitment. Title III is earmarked for English learner support, while Title IV is for student enrichment and support.
- Part B IDEA (Funding for Individuals with Disabilities Act)

Expenditure Projections:

The preliminary expenditure budget totals \$83,754,512 for all funds. Preliminary expenditures for school operations (Funds 1 and 2) total \$69,669,161.

Salaries and Benefits –

Salaries and benefits account for 68.03% of the total expenditures proposed for 2025-26 operating funds. For 2025-26, the district's priority continues to be preserving jobs and minimizing the impact on the classroom. The certificated salary scales were adjusted to reflect a \$2228 increase on the base by combining columns class I & II. Additionally, all certificated staff were eligible for both vertical and horizontal movement on the scales. The classified salary scales were adjusted to reflect a 5.0 percent increase to each cell and vertical movement on all salary schedules. The Public School Retirement System contribution rates remain at 14.5 percent for certified staff and 6.86 percent for classified staff. Increases in salaries, benefits, and associated increases in retirement costs totaled \$1,334,319.

Purchased Services –

The preliminary budget for purchased services is \$17,053,967 – which represents 24.47% of the total budget. This is slightly higher than the previous years due to the capital outlay decrease. Most of the budgets in this category are based on historical trends and estimates.

Supplies –

Building allocations have been evaluated and baseline budgets have been established. Overall, supplies and materials account for 5.72% of the budget for all funds, which is lower in comparison to the previous year.

Debt Service (Fund 3) –

The District has \$10,933,181 budgeted for debt service, which is 13.05% of the total budget. This will provide funding for the payment of principal and interest on our outstanding bonds, as well as the estimated fees associated with the bonds.

Capital Outlay (Fund 4) –

The budget for capital expenditures in 2025-26 is \$3,152,170 – 3.76% of the total budget. District administration, working with building administrators, and the district's Facilities Improvement Team have determined the greatest facility improvement needs of the district. We are in the construction phase of those identified projects.

Fund Balance –

The District books closed with a change in the operating fund for the 2024-25 fiscal year of \$1,8798,258. This moved the Operating fund balance percentage to 41.21% which is above the Board's CSIP goal of 35%. The expected change in the ending operating balance for 2025-26 is a negative (\$704,299) and begins the spend down of fund balances for the district. Long-range projections show the district maintaining fund balances at the 35% range through FY27.

Conclusion –

Administration will monitor all revenues and expenditures to ensure the budget accurately reflects our best estimates as it evolves throughout the fiscal year. Strategies to reduce expenditures and/or increase revenues will be explored, in our continued efforts to minimize the amount of reallocations needed in future years.

Section II

2025 - 2026

Comprehensive School Improvement Plan (CSIP)

Strategic Plan 2024-27
07/01/2024 - 06/30/2027

SUMMARY

Our Process

The Grandview C-4 School District utilized a comprehensive process to develop a strategic improvement plan for the school system. This comprehensive process engaged the community and stakeholder groups to create universal ownership and support for the system and school improvement.

Highlights of the process included:

- A community engagement component to allow stakeholders to have a voice in the planning process
- A facilitated planning process that assisted stakeholders and planning teams in analyzing the strengths, weaknesses, opportunities, and threats of the school district and developing/defining the elements of the strategic improvement plan
- A diverse planning team consisting of approximately 40 stakeholders representing members of the governance team, district administration, staff, parents, and community leaders to develop the plan
- Collaboration from November 2023 through May 2024 to review data, define areas of focus and develop the overall district goals which will lead the district into the future
- A facilitated process to work with planning teams on developing objectives and action steps to implement the plan

Plan Components

The plan includes the following key components:

- **Vision**...*what the future looks like if we are successful in achieving our mission*
- **Mission**...*why we exist*
- **Collective Commitments**...*our shared agreements to achieve our mission*
- **Focus Areas**...*highlights the key themes that we will address to achieve our mission*
- **Goals**...*the overarching aims within a Focus Area*
- **Objectives**...*describe the strategies within each goal that must be performed for us to achieve our desired result.*
- **Action Steps**...*Individual steps that need to be completed to accomplish an objective or meet a goal*
- **Key Performance Indicators (KPIs)**...*specific performance metrics that will be used to determine progress towards meeting goals*

Our Mission, Vision & Commitments

Statements

OUR MISSION

Grandview C-4 is a community, preparing students for life after high school with the skills needed to live a life through passion and purpose for the greater good of the communities they impact

OUR VISION: Preparing all students to be future-ready

OUR COLLECTIVE COMMITMENTS

We Commit to:

- Challenging all learners to think critically and creatively.
- Making learning more engaging, relevant, and meaningful in a technology-rich environment.
- Developing collaborative leadership.
- Promoting continuous improvement through data-driven decision-making.
- Creating an educational environment where there are high expectations for learning and collaboration to develop high-quality skills.
- Providing safe, clean, and healthy environments, with appropriate resources to enrich the learning experience for all.
- Sustaining positive relationships and involvement among students, staff, families, and community members.

PLAN OUTLINE

I. Focus Area: Success Ready Students

1. Goal: Ensure a guaranteed and viable curriculum

A. Objective: Provide a comprehensive, rigorous, and inclusive educational program that is aligned with state standards and prepares our students to be future-ready.

1. Action Step: Develop and revise curriculum for all grade levels and content areas.
2. Action Step: Regularly audit district curriculum, assessments, and resources based on the district implementation plan.
3. Action Step: Develop and implement a district-wide grading and assessment framework.
4. Action Step: Embed Real World Learning (RWL), Technology, Problem-Based Learning (PBL), Market Value Asset opportunities, and Social Emotional Learning (SEL) skill-building for students within the written curriculum.

2. Goal: Ensure high-quality Tier I instruction

A. Objective: Create a learning environment where every student receives high-quality, evidence-based instruction in their classroom every day.

1. Action Step: Identify, develop, and effectively communicate a district instructional framework.
2. Action Step: Continue to develop the building instructional coaching model to provide support for Tier 1 instruction and Social Emotional Learning.
3. Action Step: Develop, revise, and implement a Multi-Tiered System of Support (MTSS) Process.
4. Action Step: Yearly review and revise the Student Support Team (SST) Process.
5. Action Step: All schools will utilize the Professional Learning Community (PLC) structure and processes to improve student achievement.
6. Action Step: Continue to utilize the Networked Improvement Community (NIC) process to improve student achievement.
7. Action Step: Identify, develop, and effectively communicate a district-wide technology integration framework.
8. Action Step: Create and provide high-quality, professional development based on internal feedback that aligns with district, building, and individual professional goals.

B. Objective: Student achievement data throughout the District will demonstrate growth as evidenced throughout the analysis of state and district achievement data and the Annual Performance Review (APR).

1. Action Step: The district will increase the number of students graduating in a 4-year cohort with the goal of 90%.
2. Action Step: The district will increase the percentage of students attending 85% of the time with a goal of 90% of students.
3. Action Step: The District will increase the percentage of students scoring in the proficient and advanced

PLAN OUTLINE

category on the Missouri Assessment Program (MAP), End of Course (EOC) in ELA, Math, and Science each year with a goal of 80%.

4. Action Step: The District will increase the percentage of students who score on or above grade level in iReady Reading and Math with the goal of 80%.

3. Goal: Enhance kindergarten readiness throughout the District

A. Objective: The District will increase kindergarten readiness through quality early learning experiences that promote a child's growth.

1. Action Step: Develop a long-range plan to increase Pre-K enrollment that is consistent with the needs of the community.

2. Action Step: Continue to revise and enhance Kindergarten programming throughout the District while maintaining a focus on early literacy.

3. Action Step: Increase attendance to summer programming for incoming kindergarten students.

4. Goal: Provide Real World Learning Experiences for all students to ensure they are Future Ready

A. Objective: Further expand real-world learning experiences for all students through the integration of

1. Action Step: 100% of high school students will select a Career Academy and Pathway of college or career interest to participate in while also being provided opportunities to explore multiple pathways.

2. Action Step: Create and implement a yearly audit cycle for all Grandview High School (GHS) Academies and Pathways to ensure Market Value Asset (MVA) alignment.

3. Action Step: 100% of students will graduate with at least one Market Value Asset (MVA) by 2030. (80% by 2027)

II. Focus Area: Workforce Excellence

1. Goal: Implement a system that recruits quality staff

A. Objective: Ensure the recruitment of quality staff, while adequately representing the students and the Grandview C-4 School District community at large.

1. Action Step: Ensure the district's workforce represents the students and community we serve through ongoing recruitment with higher education colleges/universities

2. Action Step: Expand relationships with post-secondary institutions to support the recruitment of quality teachers.

3. Action Step: Provide semiannual information to paraprofessionals and volunteers on teaching certification programs offered by regional colleges and universities.

4. Action Step: Develop incentives for hard to fill jobs, such as school bus drivers or critical shortage teaching positions.

5. Action Step: Create internship opportunities for high school students within the district related to the teaching profession (Grow Your Own).

PLAN OUTLINE

2. Goal: Instill a system to retain quality workforce members.

A. Objective: Implement a system that retains quality staff

1. Action Step: Implement onboarding maps for all workforce groups to ensure a comprehensive and structured introduction to the district.
2. Action Step: Conduct annual perception surveys to assess the overall engagement of district staff (exit survey, climate and culture survey, district strengths survey, engagement survey and STAY PUT interviews with new staff).
3. Action Step: Create a district level Human Resource committee to review data and make annual recommendations for retention improvements.
4. Action Step: Provide leadership training on cultivating a culture of engagement with all workforce groups.
5. Action Step: Implement a staff recognition program through the Human Resources department to acknowledge and reward outstanding contributions.
6. Action Step: Utilize technology to develop innovative opportunities for district leaders to foster connections with workforce groups, enhancing communication and engagement.
7. Action Step: Expand mentorship to include experienced educators when entering into the GVC4 school district during their first and second year of employment .
8. Action Step: Increase choice of personal and professional development offerings for all staff to support their growth and increase satisfaction.
9. Action Step: Enhance benefit offerings based on current staff needs to ensure they are relevant and competitive.

B. Objective: Implement a system that retains quality leadership.

1. Action Step: Develop a district profile of a quality leader to establish clear expectations and attributes of effective leadership.
2. Action Step: Provide professional learning for leaders that is aligned with the district's strategic plan to ensure continuous growth and alignment with district goals.
3. Action Step: Continue to provide Aspiring Principal Cohorts to include embedded leadership shadowing and field experiences for participants.

C. Objective: Provide quality staff evaluations

1. Action Step: Develop a district profile of a quality teacher/employee.
2. Action Step: Fully implement all components of the Network for Educator Effectiveness (NEE) Evaluation System.

D. Objective: Provide quality professional learning to leaders in areas of evaluation, feedback and staff development.

1. Action Step: Provide continuous professional learning for directors, principals, and staff on the implementation of the Network for Educator Effectiveness (NEE) Evaluation System.

PLAN OUTLINE

2. Action Step: Provide ongoing professional learning focused on the implementation of classified staff evaluations to ensure comprehensive assessment practices.
3. Action Step: Create and implement staff development training programs that provide feedback, coaching techniques, and corrective actions that enhance leadership skills in supporting sta.

III. Focus Area: Operational Readiness

1. Goal: The district will maintain an operating fund balance of 35%

A. Objective: Implement prudent fiscal management practices that ensure the district's financial stability through effective budgeting, regular financial monitoring, and cost-saving measures such as maximizing resources, minimizing unnecessary expenses, and ensuring that funds are allocated in a manner that best supports our educational objectives.

1. Action Step: Develop an annual budget and long-range financial plan to align available resources with priorities to support the 2024-2027 strategic plan and maximizes the impact on student learning and supports our educational objectives.
2. Action Step: Develop and implement a three-year financial plan that includes a budget to support sta salaries, district services, and district initiatives
3. Action Step: Monitor local, state and federal legislations and revenue trends. Identify the implications on the district's long-term and short-term fiscal plan.
4. Action Step: Conduct frequent financial reviews of current financial status through real-time monitoring as well as annual external audits of all financial, attendance, and transportation records to ensure eective financial management.

2. Goal: Enhance safety, security, and overall functionality of all facilities

A. Objective: The district will efficiently allocate bond proceeds towards enhancing facilities, implementing safety upgrades, and acquiring essential equipment to provide an optimal learning environment for our students.

1. Action Step: Develop and implement a comprehensive, long-term facilities plan that anticipates future building needs, while continuously advancing our efforts in ensuring safety and security.
2. Action Step: Continue to engage the District Safety Committee to proactively assess, monitor, and execute safety programs, ensuring a secure and safe environment throughout the school district.
3. Action Step: Develop a comprehensive, long-term plan that prioritizes energy eciency across the district, with the dual objectives of maintaining seamless technology and communication services during power outages and realizing potential cost savings.

3. Goal: Improve Efficiency and Safety of School District's Transportation Services

A. Objective: Deliver daily transportation services to students, prioritizing the enhancement of operational eciency and the unwavering commitment to the safety of all students.

1. Action Step: Refine and revise the annual replacement cycle plan while concurrently maintaining the existing fleet of school buses and vans in optimal condition
2. Action Step: Maintain the continuous learning program for all transportation staff, ensuring they undergo

PLAN OUTLINE

comprehensive bus safety training at least twice a year, and provide refresher courses as needed to keep safety procedures top of mind.

3. Action Step: Continue to gather feedback stakeholders to ensure the highest quality of transportation services are being provided as well as identifying opportunities for improvement.

4. Goal: Provide nutritious, regulation-compliant meals for all students, promoting health and academic success

A. Objective: Ensure that every student receives a nutritionally balanced breakfast and lunch, prepared in compliance with Federal and State nutrition program regulations, thereby supporting their health, well-being, and academic performance.

1. Action Step: Develop and implement a transition plan with the Food Service Management Company (FSMC) to upgrade facilities and equipment to provide enhanced options for students.

2. Action Step: Create a strategic communication plan aimed at enhancing stakeholder awareness and engagement in our child nutrition services, while also boosting the number of parents/guardians applying for Free/Reduced meals.

3. Action Step: Increase and enhance student and parent/guardian participation in menu creation by forming dedicated focus groups at every educational level.

4. Action Step: Leverage student surveys and feedback sessions to identify effective strategies for boosting participation in breakfast and lunch programs, such as implementing a second chance breakfast initiative.

5. Goal: Ensure universal access to technology resources and repair services district-wide

A. Objective: Ensure that every student and staffmember has access to our technology resources and repair services, fostering a seamless digital learning environment that prepares our students to be future-ready

1. Action Step: Continue to support and sustain 1:1 technology access for all K-12 students and teachers, incorporating a regular replacement cycle to keep our computers, servers, network equipment, and software current and efficient

2. Action Step: Formulate and implement an ongoing comprehensive technology audit that assesses our current infrastructure, identifies areas for improvement, and ensures our technology resources align with our educational objectives.

3. Action Step: Fortify and maintain a robust and secure internet and network infrastructure, crucial for bolstering our district's technology initiatives and ensuring a safe and protected digital learning environment.

4. Action Step: Maintain a robust and secure network infrastructure with a commitment to regular upgrades and real-time monitoring for potential risks, ensuring optimal uptime, swift response to vulnerabilities, and timely implementation of necessary improvements.

IV. Focus Area: Climate & Culture

1. Goal: Ensure a sense of belonging amongst all stakeholder

A. Objective: : All stakeholder groups in Grandview C-4 will have a perceived sense of belonging and feel they are valued members within the school district community. The District will prioritize creating an environment that fosters intentional connections between internal and external stakeholders, enhancing stakeholder involvement in

PLAN OUTLINE

initiatives and decision-making, and actively engaging parents, guardians, and community members. Strive to improve the sense of belonging for marginalized students and families by addressing potential barriers, formalizing student participation in decision-making, and promoting collaboration among staff, students, parents, and community members for a collective sense of ownership and belonging in the school community

1. Action Step: Determine the current sense of belonging rates for each stakeholder group through the implementation of annual surveys (students, staff, parents/guardians and partners/community members)
 2. Action Step: Develop a comprehensive plan to increase community engagement overall and differentiate between stakeholder groups to identify any potential areas of need.
 3. Action Step: Develop a comprehensive plan to increase parental involvement at all levels possibly including hosting community forums, creating parent advisory groups, and providing restorative practices for all families
 4. Action Step: Continue to enhance diversity and inclusion training opportunities for staff, administrators, board members and other identified community groups on topics such as cultural competence, implicit bias, and creating inclusive classrooms.
2. Goal: Integrate SEL throughout the Grandview C-4 school District
- A. Objective: Fully integrate Social and Emotional Learning (SEL) within the Grandview C-4 School District with the objective of assessing current levels of equity throughout the district and empowering all stakeholders to co-create schools that excel in all areas that contribute to safe, healthy, and thriving school communities.
1. Action Step: Survey staff and students in the 2024-2025 school year, and then annually, to determine the current levels of social and emotional strengths and opportunities for growth.
 2. Action Step: Use data from the staff and student survey to develop annual goals to reinforce the ongoing social and emotional wellness of all students and sta within the district.
 3. Action Step: Use data from stakeholder surveys to determine next steps in implementation of SEL curriculum throughout all classrooms in the District.
3. Goal: Integrate Wellness Program with Quality Essentials (Financial, Physical, Social, Community & Career Wellbeing)
- A. Objective: Foster and enhance a positive culture through the ongoing development and integration of the District's Employee Wellness Program. The employee Wellness Program will provide quality essentials in the areas of financial, physical, social, community & career well being.
1. Action Step: Develop wellness essentials for programming that includes a wellness framework and a communication for delivering the wellness framework to district employees.
 2. Action Step: Survey staff annually to assess programming outcomes and identify current levels of interest within the five essentials.
 3. Action Step: Use survey data to develop annual goals to enhance wellness programming based on needs and interests of employees.
