

Transformed Pathway (Barber/Manicure)

A Partnership between Center HS, Ruskin HS and Grandview HS with Transformed Barber & Cosmetology Academy

What is Transformed Pathway Academy?

Course Description: Students seeking a license in Barber or Manicure will receive instruction and training at Transformed Barber and Cosmetology Academy.

The barber course consists of 1000 hours (2 year program ½ day) of theory and practical training in the arts and sciences of hairstyling, hair cutting, shaving, mustache and beard design, coloring, and permanent waving, chemical hair relaxing, thermal styling, anatomy, chemistry, bacteriology and sanitation, physical fitness, professionalism, retailing, equipment care, and salon management.

The manicure course consists of 400 hours of both theory and practical experience in many phases of manicuring and artificial nails. Their education will prepare them for the professional marketplace as well as give them the necessary knowledge to successfully complete the state board exam.

The Cosmetology course consists of 1500 hours (2 year program ½ day) of theory and practical training in the arts and sciences of hairstyling, hair cutting, coloring, permanent waving, chemical hair relaxing, thermal styling, anatomy, physical fitness, chemistry, bacteriology and sanitation, professionalism, retailing, equipment care, and salon management.

The Transformed Academy is a Semester to two-year program where students will:

- o Participate at the 11th and 12th Grade Level
- o High School Courses: no prerequisite
- o College Courses: none
- o Summer Courses: none
- o Industry Connection: Will work with customers and sit for their State Certification Test.

There is no cost to the student/family to participate in this program.
