

Pathway to Graphic Design (P2GD)

A Partnership between Center School District, Hickman Mills C-1 School District, and PrepKC.

What is the Pathway to Graphic Design (P2GD) program?

The program is an opportunity for students to engage in real-world learning involving the creative process of arts and design and providing them artistic experiences as they move forward to future careers in art, design, and beyond.

The Pathway to Graphic Design (P2GD) program is a program where students will:

- o Engage during their Junior and/or Senior year and continue through high school graduation.
- o Learn first-hand about design careers and engage in real-world projects, dual credit coursework and/or worksite tours that expand their understanding of Graphic Design
- o Engage in a dynamic mentoring program with industry specific design professionals
- o Develop career-readiness and employability skills focused on Design principles (Graphic Design).
- o Learn Adobe software (including but not limited to Illustrator, Photoshop, and InDesign) and possibly take an Adobe certification exam (program/software specific)

Pathway to Graphic Design (P2GD) participant expectations are as follows:

- o Students must demonstrate a strong interest in Design, must commit to participating in the year-long program
- o Students should complete the required prerequisite Art and Design courses at their respective high schools.
- o Maintain 95% attendance at all class periods and program events (critiques are mandatory; unable to make-up)
- o Read and complete all assignments and come to class prepared to learn—program work must be completed according to the deadlines set by the program facilitator (reading assignments, written assignments and reflections, projects, activities and quizzes/tests).
- o Demonstrate a high level of professionalism and full engagement in this program.
- o Maintain a C average or better on midterm and final course grades.
- o Must be willing to accept constructive feedback regarding projects and assignments.

Program Admission Requirements:

- o Minimum 2.5 Cumulative GPA (lower GPAs require District Administrator approval); must meet all grade level academic graduation requirements (not missing any required credits)
- o Minimum 90% Attendance
- o Excellent Behavior Record
- o Must meet program prerequisite requirements
- o Two completed Teacher Recommendations (including one core teacher and one elective teacher)

Pathway to Graphic Design (P2GD) participants may earn the following Market Value Assets (MVAs):

Complete dual-credit coursework related to Art & Graphic Design (if qualifying high school cumulative GPA), participate in client based projects and/or internships, and complete industry recognized credentialing programming.
